NBT releases book at IIC

THE National Book Trust, India, has recently released a book *Ghadar Movement: A Short History*, written by Prof. Harish K. Puri, at a function held at India International Centre. Published by NBT under its popular social science series, the book is based on the revolution which inspired other revolutions for freedom struggle in India.

"Can we go back to ethos of the movement?" said Kuldeep Nayar, eminent journalist, while releasing the book. He said that the book introduces to us

"tomorrow what it can be". He added that the movement will be completing 100 years next year. We shall disseminate the ideology of the Ghadaris as they are our heroes, they inspire us and we should see our children start thinking about India.

Dr. Mohinder Singh, member, National Commission for Minority Educational Institutions; Dr. Rakesh Bhattabyal, dy. director, academic staff, Jawaharlal Nehru University; and Sunit Singh, visiting fulbright fellow, National Institute of Panjab Studies, New Delhi also spoke on the occasion.
