V. The committee reiterated the following points approved in the 1st Phase meeting of 9th Grant in Aid Committee held on 16.8.2011:-

1. It was suggested by the members that grant should be substantial to enable NGO to carry out one good event. The effort should be to identify 8 to 10 good NGO'S in the field and support them by giving substantial grant.
2. In continuation to above , it is further advised to categorize the NGOs in three categories for consideration to sanction the grant as mentioned below:
 - (a) Those NGOs who are involved directly in the work of book promotional such as FIP, AWIC, Authors Guild of India, Calcutta and New Delhi etc. to consider a huge sum of grant.
 - (b) Those NGOs who have been paid grant in the past and based on good performance, the grant can be enhanced depending on the event proposed.
 - (c) Those NGOs who are new and has applied for grant for the first time. Grant-in- Aid to this group should be restricted to 20-25% of the total available budget.
3. To identify 8-10 good organisations/institutions working in the field of book promotion and provide substantial grant to continue with their efforts as a focus institutions.
4. To include a clause in the sanctioned letter to the effect that the grantee institutions must ensure the participation of at least 15 booksellers/publishers in the book exhibition/book fair in the country and at least 8-10 booksellers and publishers in the North-East region. The grantee institutions shall provide the Trust complete list of such booksellers/publishers who participated in the Fair with complete address and phone numbers etc. at the time of submission of Utilization Certificate. The grantee institutions shall provide the lists of booksellers/publishers to the Observer, if any, deputed by the Trust during the event.
5. To include a compulsory column in the prescribed application form indicating e-mail IDs of the organization concerned for future grants.
6. Also to include a condition to the effect that the grant is approved subject to the condition that the Utilization Certificate and other relevant documents shall be furnished by the grantee organization to the Trust within one year of the issue of the sanction letter. Otherwise, the grantee institution is liable to refund the entire amount of Grant-in-Aid. Besides, the Trust reserves its rights to black list such institution through its website and local newspapers for the notice of other government agencies and general public.
7. To authorize the Director to send an independent observer to visit the fairs/other events being organized by the granting institutions wherever necessary but such visits should not be less than 20% of the total sanctioned cases.

VI. In order to effective utilization of Grant-in-Aid, the committee decided that the Educational/ Academic Institutions viz university, college, Deemed university, Institution of higher Education etc. recognized by govt./UGC interested in doing book promotional activity seminars on book related topics should also be covered in the scheme. In the present guidelines of the scheme is extended only the organizations registered under Societies Registration Act are eligible. It was decided that NBT should immediately takeup the matter with MHRD for modification in the guidelines of the scheme to make

such Institutes/ Universities eligible for grant under the scheme so that it can be included in the advertisement for scheme to be released in March.

In view of the availability of fund under the scheme as despite sanction of proposals utilization is slow, it was also decided to authorize chairman to consider the eligible proposals from reputed organization for grants under the scheme.

- VII.** The committee has decided to release the advertisement for the next Financial Year 2012-13 during month of February/March 2012 and all Literary organization in each States shall be informed through letters/email besides News paper, advertisement.

The Meeting ended with a Vote of thanks to the Chair.
