NATIONAL BOOK TRUST, INDIA FINANCIAL ASSISTANCE PROGRAMME (NBT FAP)

In order to promote and pursue translations of Indian books into foreign languages, the Trust initiated a financial assistance programme to foreign publishers. The programme will provide suitable incentive in the form of financial assistance to foreign publishers for translation of original Indian writings published by Indian publishers in English, Hindi and other Indian languages into foreign languages.

The programme covers broad categories of fiction, non-fiction, science & technology and books for children, except dictionaries, magazines, journals, textbooks for schools/colleges and professional courses like medicine, engineering, pure & applied sciences, business administration.

In order to give particular focus on writings in Indian languages where an English translation is not available, and to promote such writings abroad, the NBT-India would facilitate its translation into English, and in such areas the NBT-India would bear 50% of the translation fee. Open to foreign publishers, the programme has elicited a lot of interest among a cross section of publishers both from India and abroad.

So far financial assistance has been extended for: *The Missing Queen* by Samhita Arni (originally published by Zubaan) published by Lit Edizioni SRL in Italian; *My Little India* by Manoj Das (originally published by NBT, India) published by Booksea Publishing in Korean; *Looking Back: India in 20th Century* (originally published by NBT, India) published by Booksea Publishing in Korean and *Stories by Ambai* by Ambai (originally published by Kalachuvadu) published by Editions Zulma in French.

TRAINING COURSE IN BOOK PUBLISHING

The Book Publishing Course has been conducted by National Book Trust, India since 1994. It has contributed, to a large extent in creating a pool of trained professionals for the publishing industry in India. Earlier, one-month short-term courses were organised in Delhi and other parts of the country. However, during the COVID-19 pandemic, a new curriculum was designed for a three-month-long online course that would benefit students across the country. The course was re-launched with more comprehensive and detailed sessions as earlier, there used to be 25 sessions of 2 hours duration which has been changed to 50 sessions of 2 hours.

The innovative and unique Certificate Course in Publishing by NBT-India is the first in India to offer comprehensive training to students and exposure to the publishing industry with a careful selection of course faculty. It gives students the opportunity to explore all elements of different sectors in the publishing landscape and benefit from industry-inspired learning.

Students are given study modules including Introduction to Publishing, Editorial, Design and Production, Marketing and Sales, Sectors of Publishing, eBook and Audio Book, and internship and a Publishing Project. Students gain valuable insight into the modern publishing industry and the wide range of roles available therein. Students also explore the various stages of publishing, from initial ideas and commissioning to cover design, book launches and sales data analysis. They are also able to develop professional publishing experience through the one-month-long publishing internship and the publishing project.

During the financial Year 2021-22, Online Courses in Book Publishing of 3-month duration each were organised by the Trust. These online courses have benefited people in many ways as they could learn the skills from the comfort of their homes without any travel.

S. No.	Audit Observations	Replies of NBT
1.	INTRODUCTION:	
	We have audited the attached Balance Sheet of the National Book Trust (NBT) as at 31 March 2022, the Income & Expenditure Account and Receipts & Payments Account for the year ended on that date under Section 20(1) of the Comptroller and Auditor General's (Duties, Powers & Conditions of Service) Act, 1971. The audit has been entrusted for the period up to 2022-23. These financial statements include the accounts of four regional offices of the NBT. Out of these, accounts of Eastern Regional Office (ERO), Kolkata was audited during the year and comments considered for inclusion in the Audit Report. These financial statements are the responsibility of the Trust's Management. Our responsibility is to express an opinion on these financial statements based on our audit.	Statement of fact, needs no comments from NBT.
2.	This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any are reported through Inspection Reports/CAG's Audit Reports separately.	Statement of fact, needs no comments from NBT.
3.	We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.	Statement of fact, needs no comments from NBT.
4.	Based on our audit, we report that:	
(i)	We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.	Statement of fact, needs no comments from NBT.

(ii)	The Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report have been drawn up in the format prescribed by the Ministry of Education except as stated in the report.	Statement of fact, needs no comments from NBT.																									
(iii)	In our opinion, proper books of accounts and other relevant records have been maintained by the National Book Trust in so far as it appears from our examination of such books.	Statement of fact, needs no comments from NBT.																									
(iv)	We further report that:																										
A.	Balance Sheet																										
A.1	Liabilities																										
A.1.1	Current Liabilities & Provisions (Schedule 3) – Rs.11.26 crore																										
(i)	<p>A reference is invited to Accounting Policy No.6 relating to Retirement Benefits, which states that Retirement Benefits i.e. Pension, Gratuity and Leave Encashment are provided based on Actuarial Valuation.</p> <p>The details of provisions made in respect of Gratuity, Pension and Leave Encashment in the Financial Statement of 2021-2022 and Provision required to be made as per Actuarial Valuation are as under:</p> <table border="1"> <thead> <tr> <th>S.No.</th> <th>Particulars</th> <th>Provision as per B/S as on 31 March 2022</th> <th>Provision Required as per Actuarial Valuation Report of 2022</th> <th>Shortfall</th> </tr> </thead> <tbody> <tr> <td>1</td> <td>Provision for Gratuity</td> <td>1.18</td> <td>7.68</td> <td>-6.50</td> </tr> <tr> <td>2</td> <td>Provision for Superannuation Pension</td> <td>9.55</td> <td>179.41</td> <td>-169.86</td> </tr> <tr> <td>3</td> <td>Provisions of Accumulated Leave Encashment</td> <td>0.53</td> <td>5.72</td> <td>-5.19</td> </tr> <tr> <td></td> <td>Total</td> <td>11.26</td> <td>192.8</td> <td>-181.55</td> </tr> </tbody> </table> <p>Due to non-making of provisions in accordance with the Accounting Policy, there is Overstatement of Income over Expenditure by Rs.181.55 crore and Understatement of Provisions for Retirement Benefits by Rs.181.55 crore (Current Year Rs.30.18 crore and prior period Rs.151.36 crore; Details of Prior Period as per Annexure-II).</p>	S.No.	Particulars	Provision as per B/S as on 31 March 2022	Provision Required as per Actuarial Valuation Report of 2022	Shortfall	1	Provision for Gratuity	1.18	7.68	-6.50	2	Provision for Superannuation Pension	9.55	179.41	-169.86	3	Provisions of Accumulated Leave Encashment	0.53	5.72	-5.19		Total	11.26	192.8	-181.55	<p>It is apprise to the Audit that NBT created the provision for gratuity, pension and leave encashment considering current year obligation as per actuarial valuation report and reverse the same provision in the next financial year. We are following the same policy since last two decades and this was not pointed out in earlier Audits.</p> <p>Please note that NBT receipts are from the Government grants & Sale of Books and we make the payment of gratuity, pension and leave encashment from the Government yearly grants and hence NBT do not accumulate the provision for gratuity, pension and leave encashment.</p> <p>Kindly also note that NBT have certain expenses like printing, publishing, royalty, packaging & forwarding, administrative expenses and expenses for special projects etc. whose payments is being made by NBT from current revenue generated from regular book sales and not from the Government grants.</p> <p>These expenses have to be managed from NBT's own internal resources not from the Govt. grant. If NBT make the provision of non-current obligation belonging to gratuity, pension and leave encashment then it will adversely affect the objective of the organisation as blocking of fund due to creation of provision of non-current obligation.</p>
S.No.	Particulars	Provision as per B/S as on 31 March 2022	Provision Required as per Actuarial Valuation Report of 2022	Shortfall																							
1	Provision for Gratuity	1.18	7.68	-6.50																							
2	Provision for Superannuation Pension	9.55	179.41	-169.86																							
3	Provisions of Accumulated Leave Encashment	0.53	5.72	-5.19																							
	Total	11.26	192.8	-181.55																							

		<p>Considering the fact that the internal revenue is meant for smooth functioning of the organization and to accomplish its mandate as well as step towards self-sustainability, therefore, Audit is requested to issue further guidelines in this regard so that it can be complied with from the next financial year.</p> <p>Hence, observation may please be dropped.</p>
(ii)	<p>A reference is invited to Accounting Policy No.6 relating to Retirement Benefits, which states that Retirement Benefits i.e. Pension, Gratuity and Leave Encashment are provided on the basis of Actuarial Valuation.</p> <p>It was observed that above Provisions in respect of Retirement Benefits (Gratuity, Pension and Leave Encashment) as determined by the Actuary were based on Salary Escalation Rate of 3% per annum based on declaration made by the National Book Trust (NBT).</p> <p>It was observed that salary escalation rate of 5% to 5.5% PA was considered by the NBT in the past. During the year 2021-2022, the NBT paid DA of 6% PA, in addition to Salary increase of 3% PA to the employees. Since the Retirement Benefits are calculated based on Basic and DA component of Salary, as such the assumption of the NBT that salary escalates at 3% is unjustified.</p> <p>This has resulted in the understatement of Provisions for Retirement Benefits and the Overstatement of Profits. As the Provisions for Retirement Benefits are made based on various factors, the impact of the understatement could not be ascertained in Audit.</p>	<p>The suggestion of audit has been noted for compliance from the next financial year.</p> <p>Hence, observation may please be dropped.</p>
(iii)	<p>The above does not includes an amount of Rs.35.10 lakh towards provision for loss of books. These books were lying in the custody of Brihan Mumbai Municipal Corporation since 2007. The NBT has lost the legal litigation with BMMC in year 2016, concerning the premises in which these books were lying.</p> <p>The NBT in Note 6 of the Notes of Accounts has made a statement that stock of books valued at Rs.35.10 lakh is pending for administrative decision for write-off as the legal suit has been dismissed. The same note was also mentioned in Financial Statements of 2020-21.</p> <p>Since the loss of the NBT is confirmed, mere disclosure of the same in Notes to Accounts continuously for last two year lacks justification. Pending write-off decision of the Management, a provision for loss of books should have been made.</p> <p>This has resulted in understatement of Provision and overstatement of Excess of Income over Expenditure by Rs.35.10 lakh.</p>	<p>The suggestion of audit has been noted for compliance from the next financial year.</p> <p>Hence, observation may please be dropped.</p>

(iv)	<p>As per Accounting Standard (AS)-4 Contingencies and Events Occurring After the Balance Sheet Date, are those significant events, both favorable and unfavorable, that occur between the balance sheet date and the date on which the financial statements are approved by the Board of Directors in the case of a company, and, by the corresponding approving authority in the case of any other entity.</p> <p>The Para 13 of the AS-4 states that Assets and liabilities should be adjusted for Contingencies and Events Occurring After the Balance Sheet that provide additional evidence to assist the estimation of amounts relating to conditions existing at the balance sheet date.</p> <p>The South Delhi Municipal Corporation (SDMC) informed (May 2022) National Book Trust (NBT) about the discrepancy in Use factor (Use Factor was taken as 1 instead of 4) in respect of its building at New Delhi since 2008-09. The above use factor was also confirmed in meeting of NBT officials with SDMC in June 2022.</p> <p>Based on the revised Use Factor, the Property Tax for the year 2022-23 works out to be Rs.40.24 lakh instead of pre-revised amount of Rs.8.89 lakh (increase of 3.52 times). It was, however, observed that no provision for liability of paying enhanced property tax for the period upto 2021-22 was made in Annual Accounts. The estimated amount of enhanced Property Tax since 2008-09 to 2020-21 works out to be Rs.4.06 crore [1] (Rs.0.33 crore for year 2021-22 and Rs.3.73 crore for Prior Periods).</p> <p>As the Use Factor was already confirmed by the SDMC, before the finalization of Accounts, a provision for enhanced property tax should have been made in books of accounts in accordance with AS-4. This has resulted in understatement of Provision, Rent Rates and Taxes and overstatement of Excess of income over expenditure by Rs.4.06 crore (Rs.3.73 crore for Prior Period).</p>	<p>The suggestion of audit has been noted for compliance from the next financial year.</p> <p>The matter has been taken up with SDMC and we have not received any demand notice yet.</p> <p>However, the compliance will be ensured in future.</p> <p>Hence, observation may please be dropped.</p>
A.2	Assets	
A.2.1	Loans, Advances and Deposits (Schedule 8) – Rs.12.35 crore	
	<p>The above includes an amount of Rs.60.95 lakh being advance amount paid to CPWD during the period 2009 to 2011 for construction of office Building. During the review of records, it was observed that advance is un-reconciled. As the amount is outstanding for more than 10 years, there is need to reconcile and pass adjustment entries.</p>	<p>The matter has been taken up with CPWD for reconciliation. Several communication has been made to them as well. However, the point has been noted for early finalization & compliance.</p> <p>Hence, observation may please be dropped.</p>
B.	Income and Expenditure Account	
B.1	Expenditure on Publishing Activities (Schedule-30) – Rs.80.43 crore	

B.1.1	Royalty: Rs.5.93 crore																	
	<p>A reference is invited to Accounting Policy 1, which states that accounts are prepared based on the Accrual method of Accounting.</p> <p>As per the agreement entered by the National Book Trust (NBT) with the various Illustrators, Royalty is required to be paid to the Illustrators based on an agreed percent (Ranging upto 15%) of sales of year.</p> <p>During the year 2021-2022, the NBT accounted Income of Rs.190.11 Crore from Sales of Books. However, no accrual for royalty expenditure in respect of these sales were made by the NBT in the books of accounts of year 2021-22. The Royalty Expenditure for the year 2021-22 works out to be Rs.13.31 crore, based on historical data of three years.</p> <p>Non-accounting of Royalty Expenses in respect of sales made during the year 2021-22 has resulted in Understatement of Royalty Expenditure, Provisions for Royalty Expenditure and the Overstatement of surplus of the year by Rs.13.31 crore.</p> <p>The non-accounting of Royalty Expenses has also resulted in violation of matching principle of Accounting, which requires that revenues and any related expenses be recognized together in the same reporting period.</p>	<p>The suggestion of audit has been noted for compliance from the next financial year.</p> <p>Hence, observation may please be dropped.</p>																
C.	Significant Accounting Policy (Schedule-33)																	
	<p>As per Accounting Standard 6 on Depreciation (AS-6), where the management's estimate of the useful life of an asset of the enterprise is shorter than that envisaged under the provisions of the relevant statute, the depreciation provision is appropriately computed by applying a higher rate.</p> <p>During the review of Accounting Policy No.3 it was observed that rates of depreciation in respect of Building, Computer and Office Equipment were revised. Further, the depreciation rates as charged by the NBT differs from the rates prescribed by the format of accounts prescribed by Ministry of Education in respect of the following class of fixed assets:-</p> <table border="1" data-bbox="305 1617 1057 2063"> <thead> <tr> <th>Item of Fixed Assets</th> <th>Rates of Depreciation prescribed under Standard Format of Accounting</th> <th>Rate of depreciation being charged by NBT</th> <th>Year since rates were revised since</th> </tr> </thead> <tbody> <tr> <td>Building</td> <td>2%</td> <td>5%</td> <td>2020-21</td> </tr> <tr> <td>Computer</td> <td>20%</td> <td>40%</td> <td>2018-19</td> </tr> <tr> <td>Office Equipment</td> <td>7.5%</td> <td>15%</td> <td>2019-20</td> </tr> </tbody> </table>	Item of Fixed Assets	Rates of Depreciation prescribed under Standard Format of Accounting	Rate of depreciation being charged by NBT	Year since rates were revised since	Building	2%	5%	2020-21	Computer	20%	40%	2018-19	Office Equipment	7.5%	15%	2019-20	<p>The suggestion of audit has been noted for compliance from the next financial year.</p> <p>Hence, observation may please be dropped.</p>
Item of Fixed Assets	Rates of Depreciation prescribed under Standard Format of Accounting	Rate of depreciation being charged by NBT	Year since rates were revised since															
Building	2%	5%	2020-21															
Computer	20%	40%	2018-19															
Office Equipment	7.5%	15%	2019-20															

	<p>It was observed that these rates were revised without any technical evaluation of useful life of respective assets and approval at any level.</p> <p>The charging of excess depreciation without technical evaluation lacks justification. This has resulted in overstatement of depreciation by Rs.1.06 crore (Prior Periods Rs.59.38 lakh and year 2021-22 by Rs.46.86 lakh) in respect of these assets with consequent understatement of Income over Expenditure and Fixed Assets by the same amount.</p>	
D	Grant-in-Aid	
	<p>During the year 2021-22, National Book Trust received grants-in-aid of Rs.49.49 crore (Non-NER: Rs. 46.89 crore and NER: Rs. 2.60 crore) from the Ministry of Education, Department of Higher Education.
