KIDSTUFF WORKSHOPS DESCRIPTIONS

TERRACOTTA WHEEL POTTERY

Enjoy the feel of cool, wet clay under your fingers and learn how to throw small clay pottery items on the wheel.

BLACK POTTERY CLAY MODELING

Sawai Madhopur is the region of the famous Ranthambhore Tiger reserve, it is also famous for the special clay from this area that gives the traditional animal figures their distinctive black colour.

RAJASTHAN PAPIER-MACHE

The local papier-mâché style of Rajasthan recycles old paper and uses methi to strengthen the base as it dries. Items are then painted and decorated in traditional motifs and small mirrors.

HAND BLOCK-PRINTING

One of the earliest forms of surface decoration on fabrics, block-printing is carried out with carved wooden blocks dipped in natural dyes. This workshop will showcase the pretty designs of Sanganer.

BEADWORK DECORATIVE ITEMS

Artisans from Gujarat will teach you how to make pretty and decorative items with multi-coloured beads and fabric.

BEADWORK JEWELLERY

In a traditional technique from Madhya Pradesh, learn to use fine beads to make delicate jewellery.

PATWA JEWELLERY

Threadwork jewellery in rainbow hues and tinkling bells.

PHAD FOLK PAINTING

A narrative scroll painting tradition from Rajasthan. Wandering minstrels travelled from town to town telling epic stories and religious tales using the painted backdrops to bring their stories to life.

GOND FOLK PAINTING

Inspired by the nature around them, the Gond people developed a stylized, colourful and highly decorative form of painting depicting animals, birds, trees and mythological beasts.

MADHUBANI FOLK PAINTING

Originally a form of wall decoration used to decorate the interior of their homes, today Bihar's Madhubani artists are masters of intricate line-work which is then filled in with colour.

PAINTING CARVED WOOD ITEMS

Pieces of wood carved into figures of birds, people, fish and flowers will be painted to give each piece colour and personality.

MUD MIRROR DORI

Decorative items made in the techniques used for the traditional wall decorations done with mud, mirror and cord to embellish village homes.

RAJASTHANI PUPPET MAKING

Children will learn to make their own fun fabric hand-glove puppets.

FINGER PUPPETS

Make delightful little characters out of paper, thread, ice-cream sticks and felt-pens ... and animate them on your fingers.

CROCHET

You need only yarn and a blunt hooked needle, combined with a knowledge of traditional techniques, to make very pretty and decorative items.

FUN ACTIVITIES / Cost per session/per person

CANARY CRATE

A variety of Kit-based activities to choose from with themes like Barn Animals or Pirates Crew.

COOKING CLASSES

Learn how to put together fun and healthy dishes – without using fire!

DECOUPAGE

Make sets of coasters with collages of different types of coloured paper.

SCIENTIFIC PAPER TOYS

Using the fundamentals of science, logic based paper toys that make learning fun.

RECYCLED NEWSPAPER BAGS

Give new life to old newspapers and make them useful again.

QUILLING PAPERWORK

A filigree paper technique using strips of paper that are rolled, shaped, coiled and glued to create decorative designs.

TERRACOTTA & FABRIC ITEMS

Small figurines and decorative items are made combining terracotta elements with coloured cloth.
