A "sole proprietor" of the firm or constituted attorney of such sole proprietor, or a partner of the firm if it be a partnership in which case he must have authority to refer to arbitration disputes concerning the business of the partnership either by virtue of the partnership agreement or a power of attorney. In the alternative, the tender should be signed by all the partners or Director in case of a Company.

The tender should be signed either by the proprietor or by his authorized representative. In case of the latter, an authority letter should be enclosed with the tender.

4. Incomplete tenders are liable to be rejected. It means Tenderer should quote for all items. If any item is missed or not quoted, the entire Tender will be rejected.
5. The quantities mentioned in the schedule may either be increased or reduced at the discretion of the NBT. However, for the reduced quantity no claim shall be entertained and if considered necessary, any item could be dropped completely.
6. **The tenderers should fill the rates both in figures as well as in words. The tender form may be filled in English and all entries must be handwritten in ink. Overwriting of rates is not permitted.**
7. If there is a discrepancy in rates between words and figures, the amount in words will prevail.
8. When deemed necessary, the NBT may seek clarification on any aspect from the tenderers. However, that would not entitle the tenderer to change or cause any change in the price quoted.
9. The tenderers, in their own interest, are advised to inspect the layout of Aluminum Hanger Super Structure at NBT Office before submitting tenders.
10. The NBT will examine the tenders to determine whether they are complete, whether any computational errors have been made, whether the documents have been properly signed, and whether the tenders are generally in order.

**11. Liquidated Damages**

**Work must be completed within 5 days from the date of award of the contract in all respects. Failure to do so will entitle the NBT to impose a penalty of Rs.2,000/- per day on the contractor and he may be blacklisted for future work.** In addition to it the Performance security deposits shall stand forfeited. Further, failure on the part of the contractor to complete the job in accordance with the terms and conditions set out and within the time schedule will confer on the NBT the right to get the work done through another contractor, in which event, the entire cost/ damages so incurred by the NBT will have to be paid by the first contractor.

- 12.** It will be the responsibility of the successful contractor to take a comprehensive insurance cover against fire, damage, pilferage, etc., at his own cost. He should take necessary precautions to safeguard against possible hazards/accidents.
- 13.** **The temporary structure is being created to store the NBT Books therefore the structure should be water/ fire proof and the platform erected must be with stand the load of 3 tons per sq. meter.**
- 14.** The quality of material to be used for the construction should conform to the approved model/presentation. Any deviation in quality will render the contractor liable to penalty as may be decided by the Trust. The decision of the Trust in this regard shall be final and binding on the contractor.
- 15.** The contractor shall engage technically competent personnel for executing the work.
- 16.** The NBT will award the contract to the tenderer whose tender has been determined to be substantially responsive and has been determined as the lowest evaluated bid, provided further that the tenderer is determined to be qualified to perform the contracts satisfactorily.
- 17.** During the period of fabrication, the contractor shall have to make his own arrangement for various amenities necessary for the smooth execution of his work.
- 18.** The payment of the billed amount will be made subject to a physical verification by the officers of the NBT.
- 19.** The decision of the NBT in this regard would be final and binding.
- 20. Opening of Tender**

The representative attending the opening of the Tender on behalf of the Tenderer should bring with him a letter of authority from the Tenderer and proof of identification.

## **21. Criterion for Evaluation of Tenders**

The evaluation of the tenders will be made first on the basis of technical and commercial information of the Firm/Agency. The Financial Bids of those firms which are found eligible based on technical parameters only will be opened. The reasons for selection or rejection of a particular tender will not be disclosed. The award of work will be further subject to any specific terms and conditions of the contract given in tender document.

The work will be awarded to the L-1 Bidder. In case the financial bid of more than one Bidder is same as L-1, the work will be awarded to the firm which is better in Technical evaluation.

## **22. Force Majeure**

Neither party shall be in default if a failure to perform any obligation hereunder is caused solely by supervening conditions beyond that party's reasonable control, including acts of God, civil commotion, strikes, acts of terrorism, Labour disputes and government or public authority's demands or requirements.

## **23. Insolvency etc.**

In the event of the firm being adjudged insolvent or having a receiver appointed for it by a court or any other order under the Insolvency Act made against them or in the case of a company the passing of any resolution or making of any order for winding up, whether voluntary or otherwise, or in the event of the firm failing to comply with any of the conditions herein specified NBT shall have the power to terminate the contract without prior notice.

## **24. Payment will be done on monthly basis on production of invoices.**

**25.** The Contractor will be responsible for satisfactory execution of the job and unkeep of each component of the structure by undertaking required repairs during the entire contract period at his own cost.

**26.** Any damage/ loss caused due to NBT on account of use of inferior material are indemnified by the contractor.

**27.** If the repairs/rectifications pointed out by NBT are not carried out by the Contractor, penalty of @2000/- per day may be levied on the Contractor till completion/ rectification of faults.

**28.** Payment of the Contractor subject to deduction of applicable taxes will be released on completion of each month on satisfactory report of the approved Committee with regard to the Structure erected.
