Corrigendum

Today (04/12/2012) we have received a query from M/s A.S. Furniture to clarify how to treat service tax part, as a part of quote or additional as shown.

Clarification:

As per terms and condition of the tender on page 15 rates quoted should be inclusive of Vat and service Tax. However in the summary of tendered amount **Chapter 7 Service Tax is shown separately**. The rate of service taxes 12.36% instead of 10.3% it may be corrected accordingly. Parties so desire can show Service Tax separately in this column or inclusive in the quote. The final quote to be considered for awarding the tender will be the grand total reflected in Chapter 7.
